

## **Criteria for the selection of scholarship holders**

### **1. Age**

Minors or young adults in education (under 28 years)

### **2. Neediness**

Lack of sufficient own or external financial resources for necessary living expenses, learning materials, transportation costs and school or university fees to start or continue the desired or started education.

### **3. Partner contact ("anchor")**

Adult confidant or institution that ensures that our financial support is used in accordance with the agreement and in a sensible manner.

### **4. Willingness to achieve goals**

A goal of education in mind or at least the willingness to define it together over time.

### **5. Readiness for transparency**

Willingness and - if necessary with the help of willing and capable assistants - also the ability to communicate with us regularly (in English or German) and to report to us on the progress of the sponsored education; agreement that we may report on projects anonymously if necessary

### **6. Protection from outside influence**

No proximity to sects, extreme political or religious associations or persons who are to be classified as hostile to peace in the sense of enlightened humanism.
